

Pen Mill Home Learning Agreement

Welcome to home learning at Pen Mill ☺

Key Stage 1 will have remote learning put onto **Seesaw** daily.

EYFS will have remote learning uploaded to **Tapestry** weekly. Please only complete the work for the day we are on.

Please make sure that you can access these platforms as all of your children's work will be available here. If you cannot please email the reception or KS1 mailbox (please find details below) and we will be more than happy to assist.

The work that is set online will also be the work completed in school with the vulnerable and key worker children. If you are a key worker and your child is attending school full time your child's learning will be covered in class. If your child is in school for some days and home for the rest, on the days they are home we would like the work assigned for that day, to be completed.

Teachers are available online from 9am either through email, Seesaw or Tapestry.

Teachers will not be available after 4pm or at weekends.

All work assigned for that specific day must be handed in via Seesaw/Tapestry by 3pm the same day in order to give us time to mark and provide feedback daily. Home learning is an expectation and the work needs to be completed regularly to support your child's development. Phonics, Literacy and Maths will be a daily component alongside some Topic work.

Useful websites: You may be directed to these websites as part of your child's home learning...

Oxford Owls:

www.oxfordowl.co.uk (Individual class log ins have already been sent out via Tapestry and Seesaw. Please check that you are able to use them to sign in. We will be asking you to read books from here to support your child weekly.)

Espresso:
