## Friends of Pen Mill

For those of you who don't know me, I'm Mrs Chamberlain and I am the Nursery Manager at Pen Mill and I'm also the Chair of 'Friends of Pen Mill' (formally PTA). I took on this role as my children have/are attending Pen Mill and I wanted to help raise vital funds to enhance my child's learning and environment.

It has been tricky over the last 18 months to raise funds due to COVID restrictions, but to date we have still managed to raise £745. This money will be used to improve the nursery outdoor area.

You may have seen some adverts go out asking for any help with volunteering and we really do need you! At present it is just me that organises fundraising events and unfortunately this isn't something I can continue with on my own. You don't need to commit to hours every week, but even half an hour a month would make all the difference. I would love to hear any ideas or suggestions you have on how we can raise money.
