## Parent & Family Support Advisor (PFSA)

### Parent & Family Support Advisor information:

My role is to provide support for the children who attend this school as well as supporting their families with advice and information concerning school or home life. I can help you with any worries you may have in relation to your child's education, behaviour and well-being and I am also here as someone to talk to if you need it!

### What does a Parent & Family Support Advisor do?

A PFSA is able to offer impartial support, advice and guidance to parents/carers. Advice and support is confidential, although concerns relating to the safeguarding of children will always be dealt with in accordance to the school's Safeguarding and Child Protection Policy.

I may not have all the answers, but hopefully we can work together to find them!

### **Support for pupils includes:**

- Promoting good attendance and punctuality
- Promoting self-esteem and confidence
- Promoting positive behaviour and positive attitudes to learning
- Providing personal, social and emotional support to children

### **Support for families includes:**

- Advice and support in promoting positive behaviour at home
- Attendance and support at school and other agency meetings
- Liaising with a range of external services
- Providing information to services available in the local area

My aim is to build strong relationships with parents so every child is happy, thriving and fulfilling their potential here at Pen Mill Infant & Nursery Academy.
