Reception - Nativity

The reception children put on a fantastic rendition of woopsy daisy angel. Once the video has been edited we will be sharing a link with parents so you can enjoy it at home. We are sorry that you were not allowed in to view in person but we feel that this was the safest option and you get to keep the film forever.

They have done so well, learning the songs, lines and when to stand up and sit down. We are very proud of them all.

Three cheers for reception!
