Weekly Attendance at Pen Mill Infant and Nursery Academy SUMMER TERM 2021-22				
Wren class	Robin class	Kingfisher class	Owl class	Goldfinch class
82%	78%	91%	91%	91%

Message from Mrs Manning

Dear Parents and carers,

*This term's value is Excellence and we have been discussing what this means in assembly and in class. The children understand that it is about **being the best that they can be** and having the confidence to try new things to develop their knowledge and skills.*

The dance team braved the stage at the Octagon despite nerves and put on a performance that made staff glow with pride. These children excelled themselves to learn a routine that had some challenging moves. The photos of the performance can now be viewed on our school website.

Our year twos have shown determination and resilience with swimming this term and it is so great to see them beginning to develop and improve a lifelong skill. The children talk enthusiastically about swimming and it is lovely to see their confidence grow.

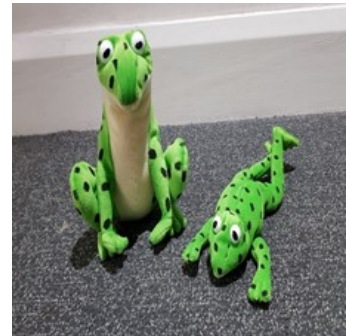

Thank you to all the parents who attended the phonics workshop, we hope you found it useful. RWI is taught throughout the school and includes our nursery children. The children enjoy these sessions and are making great progress.

Attendance percentages are gradually improving and remain a high priority for us at the Academy. Can you please ensure if your child is well enough to attend school that they are here promptly and ready for learning. At 9.00am the children move to their RWI groups and arriving late can mean that they miss the start of the session and their morning welcome in class, all of this will impact on their attainment and wellbeing.

Next week we all look forward to the Jubilee celebrations and have ensured that this will be a week to remember for our children and staff.

*Best wishes
Mrs Manning*

RWI in action

Children are taught in
Small groups.

They work in learning partners .

Letter formation is practised every day.
