The Queen's Platinum Jubilee 2022

Dear parents/carers

We have had a really wonderful week with the children celebrating the Platinum Jubilee. This week has been both memorable and engaging for the children as they have completed many activities in class and outside. Fortunately we did manage to hold some of the sports afternoon and picnic outside, we can share some photos with you.

We thank you all for your incredible support this week, this enhances the children's experiences and learning along with their pure enjoyment of everything that we provide to them together with yourselves.

It was lovely to see so many parents at the hat parade, despite the rain we are sure that you will agree the children all sang their hearts out, it was great that parents could be a part of this special event. Thank you for all for the feedback that has been received around this event, the staff very much appreciate your kind words.

Thank you so much for your support in the cake sale, many cakes were donated and then bought, the School Council did a great job at setting this up and selling. We can share with you that we raised £160.80, the School Council will be in touch with news of how they will be spending their funds.

We hope that you all have a wonderful half term and enjoy the extended Jubilee Bank Holiday.

We look forward to seeing all of the children back on Monday 6th June for the final part of the summer term.
