### Message from Mrs Manning

*Dear Parents and carers,*

*This term's value is Liberty and we have been discussing what this means in assembly and in class. The children understand that it is about having the right to an education, safe home and having boundaries and rules that are fair. Liberty within our school is about allowing the children to develop their self-knowledge, self-esteem and increase their confidence in their own abilities and the importance of treating each other with respect and care.*

*The reports that you will receive today will fill you with pride, your children have worked so hard and they strive to be the best they can be. I was thrilled with the results of the phonic screening in Year one and it is good to see the impact RWI teaching is having on the children coupled with the support from parents. The children who are supported with reading at home really do make accelerated progress.*

*On Thursday the children had a visit from the nursing team to discuss caring for our teeth and hygiene. We had amazing feedback from the team who commented on the behaviour, engagement and thoughtful questioning of our children. They really are exemplary in school and a real credit to us all.*

*Next week we celebrate sports day and hope for good weather, not too hot or too cold please! Can the children please attend school on Tuesday in their P.E kits with hat and water bottle. The children will take part in a variety of sports and will move around the field with their classes. We look forward to welcoming you all at this event.*

*Have a lovely weekend*

*Best wishes*

*Mrs Manning*

## Nursery

*The nursery recently received a visit from an early years advisor and it was lovely to hear such positive comments.*

*"A cohesive team who interacted appropriately and effectively with the children demonstrating how they were very aware of the individual child's needs, likes and interest."*

*The nursery is becoming increasingly popular and many new admissions are coming through regularly. Can I please ask that if your child has a place at our nursery and they are not attending due to illness, please can you inform the office so that we can let the team know. This is good practice for when your child attends school.*

## Kingfisher Class - Acrostic Poem

**S**chool is amazing and fun

**C**reate new friends

**H**appy we are learning new things

**O**ur school is big and has lots of children

**O**h glorious school

**L**ots of time to play with each other

**By Jaiden and Poppy**
